DEL FONCE LTDA

PORTFOLIO

COOHILADOS

Empaques • Cordeles • Sogas

We are a cooperative located in San Gil, northeast from Colombia. We have been producing for more than 60 years packaging, twine, rope, cloth and natural fiber threads fique creating a recognition of products of quality, competitive prices and timely deliveries.

With the responsibility towards our associates, clients, employees, suppliers and the environment as a guide, daily we reaffirm the tradition started by artisans strengthening productive and cooperative processes, essential foundation of the company.
